Action is taken against such retired government servants by the concerned administrative Ministry/Department if they join a private firm without seeking prior permission of the government. Such information is, however, not centrally maintained.

(b) and (c) Under the existing rules, a retired Group 'A' officer is required to obtain previous sanction of the Government for accepting any commercial employment within two years of retirement.

The previous sanction of the Government is not required if any retired Group 'A' officer undertakes an employment under a body corporate wholly or substantially owned or controlled by the Central Government or a State Government.
